

STEPS TO FOSSILIZATION

Name/Class: _____

Date: _____

Color and cut out the four pictures of *Liopleurodon*, the plesiosaur. Think of what you know about how fossils are formed. Decide which picture happened first, second, third and fourth. Put the pictures in the correct order from first to last and glue them in the squares.

1.	2.	3.	4.
First	Second	Third	Fourth
